## DAY ONE: PERTH TO BALINGUP

Just over two and a half hours south of Perth is the charming country town of Balingup. Stop in at the award-winning Smallwater Estate for a wine tasting and if you're there on a weekend, they also offer lunch. Then visit Blackwood Emporium 1864 just a few minutes up the road for beautiful chocolates and a divine afternoon tea. Continue to Balingup and check into your accommodation.

## DAY TWO: EXPLORE BALINGUP

Spend today exploring the delights of Balingup, but first, stop for breakfast and a coffee at Mr Foster's in the Old Packing Shed. The Old Packing Shed has a fascinating historical display and is also home to the Balingup Fruit Winery – make a note to return in the afternoon for a tasting. Then head out to Racecourse Reserve just a few minutes outside of town, a great place to spot wildflowers in spring. Head back into town and visit the Tinderbox, a treasure trove emporium and a must for natural skin care. Village Pedlars has arts and crafts from local makers, check out the tiny art gallery behind the Visitor Centre and drop into the Old Cheese Factory. For lunch, go to the award-winning Mushroom 61 bakery - make sure you try their pies. Take a short 20-minute walk along the Bibbulmun Track to the stunning Golden Valley Tree Park which is beautiful all year round and especially breathtaking in autumn and spring. Head back to your accommodation for a well-deserved rest.

## DAY THREE: EXPLORE THE COUNTRY ROADS

Balingup is surrounded by stunning hills and pretty valleys. Take the long way home with a drive along the picturesque Balingup Nannup Road which winds through the hills. Stop in at Tathra Hilltop retreat for morning tea. Continue to Nannup and wander along the main street of this quaint country town. Drive on the Donnybrook via Jarrahwood stopping in at some wineries - nearby Coughlan Estate is a great lunch stop. Explore Donnybrook before heading back to Perth. If you have children with you, they will love Donnybrook's Apple Fun Park which has something all ages.

Visit in April during the Small Farm Field Day or in August during the Medieval Carnivale for more fun things to do.
