

Explore BunGeo

Outdoor enthusiasts, mountain bikers and culture vultures are in for a treat in Collie. From formal museums to the extensive art mural trail and world-class hiking and mountain bike trails, Collie is full of surprises.

DAY ONE: PERTH TO COLLIE

Drive south from Perth to the first stop in Harvey, GeoVino, which has local wine tasting and produce. Drive south towards Wokalup and visit Harvey Cheese to sample their award-winning cheese, ice cream and spirits made from whey in their new distillery. Onto the Wokalup Tavern and Brugan Brewery for a hearty lunch and try their locally brewed beers. The rest of the afternoon is for exploring Collie. Discover its history and arts scene by downloading the Wambenger Trails App as a guide to the town's stunning mural trail; tours are also available. The Collie Art Gallery has regularly changing exhibitions, the Collie Coalfields Museum has an extensive collection and the newly refurbished replica coal mine at the Visitor Centre is a must-visit. The town also has an art and craft collective and a number of cool and quirky retro and vintage shops. Check into your accommodation before heading into town where you'll find several options for dinner.

DAY TWO: CHOOSE YOUR ADVENTURE

Start the day with a coffee and breakfast from The Wagon and pick up lunch for later from the Forrest French Hot Bread Shop. All year round, outdoor lovers will be in their element in Collie. The area has beautiful waterways to explore including Honeymoon Pools, Minninup Pool and Lake Kepwari, and the instagrammable Stockton and Black Diamond lakes. Hire a kayak or Stand-Up Paddle Board from Traaverse for another perspective of the waterways. Then go to the Wellington Dam Lookout to check out the impressive 8000m² mural "Reflections" created by Guido Van Helton on the dam wall. Enjoy your picnic lunch in the quarry amphitheatre, then stretch your legs

and get a dose of fresh country air on the many hiking trails in the Wellington National Park. Return to your accommodation for a well-deserved rest.

DAY THREE: ON YOUR BIKE

Collie is known for its epic mountain biking trails and the good news is that they cater to all abilities, from novice to professional, and the Wambenger Trails app will help you navigate them. Bike hire is available from Crank 'n' Cycle. The Karak Trail and Arklow Trails offers experiences for the whole family. Alternatively, there are adventures on horseback with Outback Horse Trails. Then go to Harris River Estate for lunch (book ahead) before driving back to Perth.
